

How to start your own fundraising campaign.

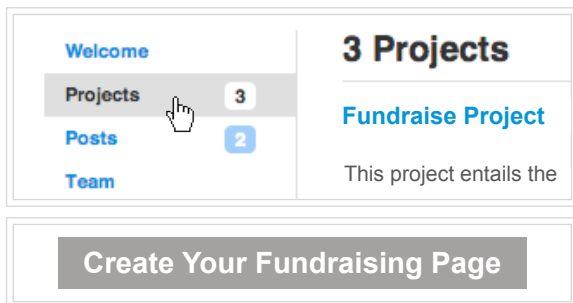

1 Go to www.givengain.com

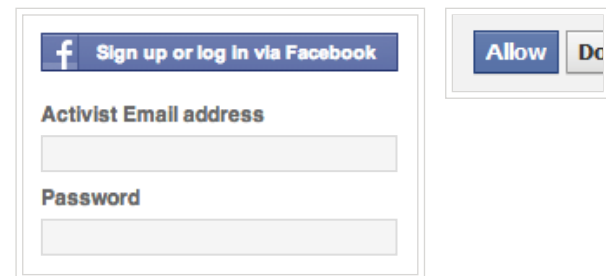

2 In the search field, enter the name of the Cause.

3 Click on "Projects", then choose one of the projects & click on it. Then click on "Create your Fundraising Page".

4 If you do not have a Givengain account, you can easily register by setting up a free Activist account. Alternatively you can sign up by using your Facebook login details.

5 Complete the project settings & click on "submit". See the document "Tips & Tricks for Activists" for help.

1. Set a Goal

How much would you like to raise with your project?
 GBP

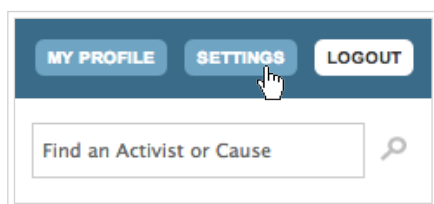

How long should your project be open for donations?
 Donations will close at the end date, but your project will remain open for comments

2. Describe Your Project

Give your project a name

Tell us about your project

6 Update your profile by clicking on "Settings".

7 Create awareness through social media.

- Email your friends and family to tell them about your fundraising project.
- Help your friends to easily find your project online by copying and pasting the URL of your Activist project into the email.
